20 I, Nancy Laxson-Highton, declare and state:

21 1. I am employed by Apple Inc. in the position of Manager, Legal Specialists. I  
22 have personal knowledge of all the matters set forth below, except as to those matters stated  
23 on information and belief and, if called upon to do so, I could and would competently testify  
24 thereto.

25 2. Apple is a California corporation with its principal place of business at  
26 Cupertino, California.  
27  
28

3. I identified the registration database, kept in the ordinary course of Apple's business, which contains the names and email addresses of the potential Class Members whose products were registered with Apple. I use the term "potential Class Members" in this declaration because it was not yet known which potential class members would timely and validly request exclusion from the Class. I directed Apple's database personnel to extract from the registration database a list of potential Class Members, i.e., all United States residents who are or were the original owners of an iPhone 4, and provided that list to Kurtzman Carson Consultants. That list contained 18,134,168 records.

I declare under penalty of perjury under the laws of California that the foregoing is true and correct.

Executed on April 18, 2012, at Cupertino, California.

/s/ Nancy Laxson-Highton
